Supplement Dr

Dear Hiring Manager,

I am writing to express my interest in the Part Time Sales Assistant Role at your Mansfield Supplement Dr store. With a strong enthusiasm for health and fitness and a commitment to exceptional customer service, I believe I am well-suited for this role.

I bring years of experience across several customer-facing roles in a variety of stores and fields, including Brizzys Market Flowers, Good Things Grocer, Pullman Hotel, where I have developed my skills in customer engagement and operational management. These roles honed my ability to provide excellent service and support sales strategies effectively.

My key strengths include being self-motivated, communicative, and attentive to details. I have experience in service improvement, team coordination, and content creation, all of which contribute to a dynamic and customer-focused retail environment.

Additionally, I am currently pursuing a degree in Computer Science/Master of Data Science from The University of Queensland, which equips me with analytical skills that can enhance sales and operational processes.

I am eager to bring my skills and enthusiasm to Supplement Dr and contribute to your team's success. I look forward to the opportunity to discuss how I can support your company's goals.

Thank you for considering my application.
